Presenter	Presentation
<p>Neil O Sullivan (ULS) neilos@innovate-together.com @neilosit</p>	<p>Open Discovery Space Portal and E-STEP</p> <p>A brief introduction to the Open Discovery Space Portal and its Training Academies for Teachers. Highlighting E-ETEP an EU funded Parental Engagement Project for schools, teachers and parents to participate in aimed at developing skills in schools for better collaboration with parents using social media tools.</p>
<p>Ian Roller ian.roller@dit.ie</p>	<p>DIT Civic Engagement – Teaching & Learning</p> <ol style="list-style-type: none"> 1. CLiC News www.clicnews.ie – This is a primary school literacy resource for 4th, 5th and 6th class. DIT journalism students provide relevant text for children to read and comment on. 2. EdISCo Online Learning – A taste of college pilot project. DIT students provide content suitable for TY, LCA and 5th year secondary students. 3. Plotagon – Not DIT related but too good not to share with the group. Suitable for everyone.
<p>Karen Hopkins KHopkins@colaistebride.com @ise_CB</p>	<p>European Inspiring Science Education project (ISE)</p> <p>My school, Coláiste Bríde, is a pilot school for the European Inspiring Science Education project (ISE). I will share my experience of applying for and securing over 12000 € Erasmus+ funding to send Science teachers abroad for CPD on this project, and share eTools for teaching Science in secondary school. I will also share some eTools for teaching Astronomy.</p>
<p>Julia Sweeney Julia@edcite.com @juliasween @edciteteam</p>	<p>Edcite</p> <p>Check out Edcite, a free platform for teachers to find, customise, and create digital resources for their class! I'll demo how the site works by giving a quiz on CESI related items to the group ;) and show the auto grading features and reports.</p>
<p>Hassan Dabbagh hassandabbagh@gmail.com @hassandabbagh</p>	<p>Dude Where's My Paper</p> <p>At the start of this year I gave up using pen and paper in school, No notes, don't do doodles & bye to bit of paper, this presentation is about what apps/ software I use to get by.</p>
<p>Dughall Mc Cormack dughallmccormick@gmail.com</p>	<p>CampEd – A different approach to Professional Development</p> <p>Synopsis: CampEd is Teachmeet, but stretched.</p>

Presenter	Presentation
Pat Butler pbutler@scoilide.ie @scoilide	Raspberry Pi I intend to speak about the low cost computer 'Raspberry Pi' and how we use it in our primary school to promote the growth and development of computer programming.
Sabine Mc Kenna sabine@cccSkerries.com @SabineMcKenna	Minecraft Minecraft is a fascinating sandbox-type game and offers possibilities in a number of areas, including digital citizenship, understanding the nature of online communication, concepts of space, history, culture, music, physics, languages, and geography. This can be seen in a number of examples from primary schools, both Ireland-based and international.
Bianca Ní Ghrógáin bianca.grogan@gmail.com @bnighrogain	Real-time formative assessment of audience members' innermost secrets!!
Mystery Guest	Mystery Skype Our Mystery guest has been Mystery Skyping with her class for the past year or two. She has skyped schools all over the world. Any class can do it. We will actively engage in a live Mystery Skype and see can our audience deduce where our guest is!
