# Fun Puzzles when starting to code- Blockly

The screenshot shows the Blockly Games website interface. At the top, there is a navigation bar with the text "Blockly Games" and a "beta" label. Below the navigation bar, there is a link that says "Games for tomorrow's programmers. More info...". The main content area features a central text box that reads "Puzzles have up to 10 levels – at least 1 class period". Surrounding this text box is a circular menu of game categories, each represented by an icon and a label: "Puzzle" (puzzle pieces), "Maze" (a person in a maze), "Bird" (a bird), "Turtle" (a blue spiral), "Movie" (a film reel), "Pond" (a goldfish), and "JS Pond" (a red ladybug). At the bottom of the screenshot, there is a URL: <https://blockly-games.appspot.com/>.
