What greater weapon
for peace do we have
than our victory over
hating and race hatred
which for many centuries
has ravaged the
world apart.

How can America
stand as the land
of golden opportunity
if indeed there is only
that opportunity for
some and not
all.

As
I have the capacity in every fiber
of my body and intellect to be
tolerant of differing views and
opinions, but when these views
contradict and destroy everything that
I believe is so fundamental to
the cause that capacity to be tolerant
is not tolerated.
