

TEACHMEET PRIMARY EAST  
MARCH 2015  
ASSESSMENT TOOLS

# How do you currently use ICT for assessment in your own classroom?

<http://padlet.com/>

[www.tinyurl.com/pdstict](http://www.tinyurl.com/pdstict)

## Padlet – Features and Functions

- Online notice board that is device neutral
- Useful to establish what students already know about a new topic
- Can be used to complete group research on a given topic
- Students can upload files or links to homework assignments
- Teachers can share, export or print walls as a KWL or record of learning.
- Can be used as an “exit ticket” or evaluation at the end of class.
