AR in the Primary Classroom

[Link](#) to Movie

What is Augmented Reality?

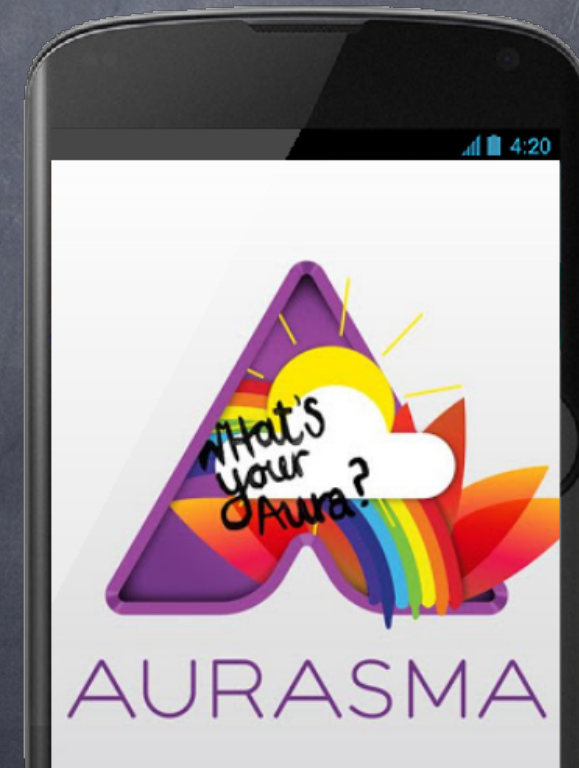

Imagine living in the magical world of Harry Potter where the corridors of Hogwarts are lined with paintings that are alive and interactive

Aurasma

1. Create your video
2. Save video to device
3. Download Aurasma App
4. Create an account
5. Choose a 'trigger image'
6. Upload video on device to Aurasma, this is your 'overlay'
7. Test out your 'aura'
