## An Invitation to present at the DPmeet seminar at IPPN Deputy Principal Conference 2016

DPmeet at IPPN Conference 2016 is an opportunity for inspirational educators to meet and share good practice, practical ideas and personal insights into primary education and leadership. I invite you to share your inspirational strategies that you use to lead teaching and learning in your own school during a 90-minute session of positive, engaging professional dialogue.

A DPmeet is based on the philosophy of a Teachmeet which is an organised (but informal) meeting where participants are offered a variety of nano (2-minute) or macro (7-minute) presentations on any aspect of education – in this case, primary education and leadership. Participants can be actively involved as presenters, or can simply relax and listen to all that will be on offer. Attending this meet will also illustrate how you yourself can host a Teachmeet in your own school or your own locality.

So – would you like to share some tantalising tips, sizzling strategies or innovative ideas with your fellow Deputy Principals? Presentations can be both curricular and leadership based. If so, this is the event for you! When registering for conference at the Citywest Hotel in Dublin, select the DPmeet seminars.

**All our presenters will come from among Conference attendees. If you would like to present,** please contact me at [principal@glencullenschool.ie](mailto:principal@glencullenschool.ie) for a presenters' form or see our website [www.teachmeetireland.com](http://www.teachmeetireland.com) for further information.
