### Is this your first time here?

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrolment key", which you won't need until later. Here are the steps:

1. Fill out the [New Account](#) form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. If you are prompted for an "enrolment key" - use the one that your teacher has given you. This will "enrol" you in the course.
7. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.

### How to study this course

Welcome to Open Gifted, a short introductory course on giftedness and gifted education.

This course consists of 8 modules each of which builds on the previous module.

The course should take no more than 3 hours; however, you can spend longer on this if you choose. You can complete the course in one sitting or take it over three days between Friday and Sunday.

The course begins with a course pre-test. Please complete this before progressing to the course topics.

To study this course,

- Take the [pre-course assessment](#)
  - View the video presented in each topic.
    - There is a discussion forum after each topic where you can discuss questions raised and/or contribute your views on the contents of a module. You are encouraged to interact with other participants. The course facilitator will also participate in the forums.
      - There are links to reading material to support the content of the videos and if you would like to explore modules in more detail.
  - There is a [post-course assessment](#) at the end of the course where you can assess your progress.

Thank you for taking this course. If you have any questions during the module, please email the course administrator.

[Introduction Forum](#)

Please take a minute to introduce yourself.

### Pre-Course Assessment

[Pre-Course Assessment](#)

There are 10 questions in this pre-course assessment. Please complete these before watching the videos or reading the course material.
