

Teachmeet Ireland

Education Consultative Conference 2017

Follow today's presentations on Twitter on #TMireland and @TeachmeetIRL

Presenter	Presentation
Dympna Daly @DalyDympna dalydympna@eircom.net	Station Teaching for Literacy in Junior Classes This presentation gives you a quick introduction to setting up and running Station Teaching as a literacy intervention in junior classes. It includes an outline of the Stations and resources in use as well as short video clip of Station Teaching in action.
Aoife Mullen @nimhaolaina7 amullen@into.ie	Radio in the Classroom Introducing children to the world of radio as a medium to entertain, engage and educate, by linking a media project with a special school event. Pupils' engagement with this radio work can help enhance learning across a range of curricular subjects, including English, Drama, Music, Gaeilge, SPHE and IT.
Ciara Sotscheck @ciarasnots csotscheck@into.ie	The Classroom Apprentice Last year, Ciara's 6th class did a group project along the lines of "The Apprentice". Each group had to design a product and advertising campaign to market their product, including a TV advert which they filmed and edited on an iPad. In her presentation, Ciara will outline how this project worked.
Michael McConigley mjmconigley@gmail.com	Movie Making to tell Stories in History Using Microsoft Movie Maker to integrate Visual Art and Oral Language to develop the Story strand in SESE History with 1st and 2nd Class. This will include creating a video which can be uploaded and shared online.
Ciara Reilly @PrimEdTeacher	10 Websites in 10 Minutes In this rapid fire presentation, Ciara will present some of her favourite

<p>@StPetersBray</p> <p>ciarapreilly@gmail.com</p>	<p>websites - one a minute!</p>
<p>Cormac Cahill</p> <p>@cosmiccork cormaccahill@me.com</p>	<p>Using Green Screens to Reinvigorate Learning in the Classroom</p>
<p>Maggie Green</p> <p>@MaggieMGreen green.margaretmary@gmail.com</p>	<p>Supporting Phonological Awareness using 3D gaming.</p> <p>Maggie recently carried out research into the use of 3D gaming to support the development of phonological awareness in children with specific speech and language disorders. The game was coded in c# using Unity. She used the Kinect to provide children with gesture was very successful and the gesture based input provided much scope for development in working with children who are non and fine motor difficulties.</p>
<p>Éilis Treacy</p> <p>@Eyrecourt_News etreacy@eyrecourtns.ie</p>	<p>Setting up and running a Student Newspaper</p> <p>The Eyrecourt Examiner is a student led newspaper, produced every month in the senior classroom of 5th/6th class, Eyrecourt NS. It has been featured in the Irish Times, the Irish Independent, Intouch magazine, News 2Day and the Connacht Tribune. Éilis will outline how her school produces the newspaper.</p>
<p>Maurice Hurley</p> <p>maurice@schooltoschool.ie</p>	<p>Global Citizenship School</p> <p>Michael will offer a Powerpoint overview of Global Citizenship School – an online support for teachers and schools with free online lesson plans and resources about Global Citizenship and Human Rights. It includes a short reference to the 17 Global Goals for Sustainable Development, and also a call to become a Global Citizenship School and/or join the volunteer network with a particular request for teachers with social media skills.</p>
<p>John Conlon</p> <p>@checkmates schoolcheckmates@gmail.com</p>	<p>An introduction to Checkmates</p> <p>Checkmates is a programme designed for whole classes, from senior infants to 6th Class, in all-sized primary schools. Chess is used as a means of promoting computational thinking and development of logic and problem solving skills. Its methodology is self-directed learning / peer assisted learning using ICT as support. CheckMATES also has a strong social /inclusion based philosophy.</p>

Teachmeet Ireland is always looking for presenters to share ideas, resources and innovative projects at its next meeting! Are you interested?
